THE VENUE :

Located between the Atlantic Ocean and the Landes Forest in New Aquitaine, a stone's throw from Hossegor and only 20 kilometres from Moliets and 35 minutes from Biarritz on the Basque Coast, this magnificent 18-hole golf course in Seignosse was designed by the famous American architect Robert Von Hagge.

A true jewel of the Silver Coast, this golf club is ranked in the top 50 of the best European golf courses and is one of the most beautiful golf courses on the Atlantic Coast. It is a golf course that reveals a preserved nature over the holes, made up of century-old maritime pines, as well as undulating and winding fairways.

A real technical challenge for golfers looking for a challenge!
