

PERMANENT LOCAL RULES FOR FRENCH FEDERAL AMATEUR TOURNAMENTS

The following Local Rules apply to all amateur tournaments run under the auspices of the ffgolf. They all refer to the Rules of Golf effective January 2023.

1. Out of Bounds (Rule 18.2)

Beyond any wall defining the boundaries of the course.

A ball which crosses a road defined as out of bounds and comes to rest beyond that road is out of bounds, even though it may lie on another part of the course which is in bounds for other holes. (Model Local Rule A-5).

Any closed gate attached to an object defining a course boundary is part of the boundary object, relief is not allowed for such a gate under Rules 15.2 or 16.1. But an open gate is not treated as part of the boundary object and may be closed or moved to a different position (Model Local Rule F-26).

Model local Rule E-5 cannot be used as alternative to Stroke and Distance for Lost Ball or Ball Out of Bounds for elite amateur competitions.

2. Penalty Areas (Rule 17)

When a player's ball last crosses the edge of a red penalty area that coincides with a course boundary and rests in this area, as an extra relief option for one penalty stroke, the player may drop the original ball or another ball on the opposite side of the penalty area (Model Local Rule B-2.2).

3. Abnormal Course Conditions (including Immovable Obstructions) (Rule 16)

a. Ground under repair

- a) All areas bounded by white or blue lines and/or blue stakes.
- b) Any area of damaged ground (e.g. caused by crowd or vehicle movement) that is considered by a referee to be abnormal (Model Local Rule Type F-4).
- c) In the general area, seams of cut turf (not the turf itself) are deemed to be ground under repair. However, interference does not exist if the seam only interferes with the player's stance. All seams within the cut turf area are treated as the same seam in taking relief. (Model Local Rule type F-7).
- d) Gravel drains and French drains (stone-filled drainage ditches full of gravels and pebbles).
- e) Gullies in bunkers.

b. Animal Hole

Interference does not exist if a hole made by an animal only interferes with the player's stance. Relief will be denied.

c. Immovable Obstructions

- a) White lined areas and the immovable obstruction they tie into are treated as a single abnormal ground condition.
- b) Landscaped garden areas (plant beds, groves etc) and everything growing in them that are surrounded by an immovable obstruction are treated as a single abnormal ground condition.
- c) Roads and paths surfaced with woodchip or mulch. Individual pieces of woodchip are loose impediments.
- d) Irrigation pipes fixed or secured to the ground by spikes/stakes and other anchoring systems are immovable obstructions. Interference does not exist if a pipe only interferes with the player's stance. Relief will be denied.

4. Dropping Zones

When a dropping zone is provided by the Committee it is an extra option for taking relief. The relief area is defined by that dropping zone and the ball must be dropped in and come to rest in the dropping zone (see Rule 14.3)

- a) Artificial retaining walls and/or pilings when located within penalty areas.
- b) Bunker liners in their intended position.

Penalty for making a stroke with a club or a ball in breach of these Local Rules: Disqualification

7. Pace of Play (Rule 5.6)

A. During a round:

In the absence of mitigating circumstances, a group is liable to be timed if it exceeds the prescribed time limit and in the case of second or subsequent groups, if it is “out of position”. From the commencement of timing, if any player exceeds 40 seconds on a shot, he is deemed to have had a “bad time”.

The time limit will be determined by the Tournament Committee and will be published on the official notice board.

The first group or any group after a starter’s gap will be considered to be “out of position” if, at any time during the round, the group’s cumulative time exceeds the time allowed for the number of holes completed. Any following group is “out of position” if it is more than the starting interval behind the group in front and has exceeded the time allowed for the number of holes completed.

At any time, if any player is timed by a referee taking more than 80 seconds to play a shot, the player will be notified of the excessive shot time and given an official warning. The player will also be advised that the Committee may start individual timing at any time, even if his group is not out of position.

Penalty for breach of Local Rule:

- 1st bad time – Verbal warning from Referee and the group will be advised that any further bad time will be penalised
- 2nd bad time – One stroke penalty
- 3rd bad time – Additional General Penalty
- 4th bad time – Disqualification

Notes:

1) Timings will be taken from the moment it is decided by the referee that it is the player’s turn to play and that they are able to play without interference or distraction.

2) Timing ceases when a group is back in position and players will be informed accordingly. Bad times will be carried throughout the competition.

B. At the Recording Area:

The Committee determines the maximum time allowed for the round. All groups have to complete the round within this time. It is the players’ responsibilities to respect this maximum time allowed.

At the recording desk, **all players of the group will incur one penalty stroke to be added to their score on hole 18 for breach of Rule 5.6** (Unreasonable delay; Prompt Pace of Play):

- For the 1st group, if they have exceeded the time allowed by 10 minutes or more.
- For the following groups :
 - If they have exceeded the time allowed by 10 minutes or more AND
 - If they are more than 10 minutes over the starting interval behind the group in front.

Note:, After hearing the players, the Committee will only consider very specific cases defined and assessed by the Committee as mitigating circumstances.

In federal stroke play competitions, recommendations regarding “Ready Golf” apply.

8. Suspension and Resumption of Play (Rule 5.7)

Immediate suspension for imminent danger: one prolonged note of the siren.

Suspension for a non-dangerous situation: three consecutive notes of the siren.

Resumption of play: two consecutive notes of siren.

In the event of an immediate suspension, all practice areas will be immediately closed until the Committee declares them open again. Players practicing on closed practice areas must immediately stop practising or they will be disqualified. This provision also applies to players who have not yet started their round.

9. Transportation

Players, caddies, team captains and advice givers must walk at any time during a round.

The additional advice giver may or may not be a professional golfer. The captain and the advice giver must be identified to the Committee on the team composition form prior to the start of the competition.

If the captain or advice giver is a player, he may not give advice to a teammate other than his partner while playing (Rule 10.2). (Local Rules Types H-2 and H-3).
